Group Challenge

32

Group Challenge

- In this group challenge, we will divide into small groups of approximate 2 to 3 students in each group.

- Each group will work together to solve the challenge question.

- You will spend about 30 minutes for the challenge and then each group will present their answer by screen sharing.

- The goal of this challenge is to enhance your skills in coding, research, problem solving, team collaboration and presentation.

- Two codepens are already set up for your group to start this challenge.

- Please **fork** the following codepen links before you begin:

    Q1: https://codepen.io/rloke/pen/LYyOQLb

    Q2: https://codepen.io/rloke/pen/KKmyyjm
Group Challenge
